## RE: Coach Criminal Record Check – 2012 Season

**Port Coquitlam Minor Softball Association** is a volunteer based community fastpitch softball organization involving approximately 500 girls and boys and over 1100 parents and family members residing in or around the community of Port Coquitlam.

In our efforts to ensure the safest and most productive environment for members of our Association we require that, \_\_\_\_\_, who is volunteering to coach in our **2012** season, complete a criminal record check as part of the accreditation process for any person volunteering to coach minor aged softball athletes in Port Coquitlam.

Thank you for your support.
